Dear Dr. Chander,

I am writing to express my interest for the Physician Assistant position in vascular surgery at James J. Peters Department of Veterans Affairs Medical Center. I am a current physician assistant student at CUNY York College with an expected graduation date of January 2021.

While completing my surgery rotation at NYPQ, I had the opportunity of scrubbing into 3-4 cases a day, in various specialties such as general surgery, vascular, ENT, urology and neurosurgery. I was able to experience the role of a surgical PA in pre-op, post-op and as first assist and I thoroughly enjoyed every moment of it. My eagerness to face new challenges, desire to learn, and calm demeanor, as well as my ability to quickly adapt to various situations, will make me both a competent and dependable PA and asset to your surgical team.

I am looking forward for an opportunity to discuss my qualifications and career possibilities at your earliest convenience. If you need to reach out to me, please contact me at (347) 920-1024 or by email klitishentolli@yahoo.com.

Thank you for your time and consideration.

Best Regards,
Kliti Shentolli
